Maquoketa added to “Red Flags” meeting schedule

◆ **Another venue has been added to the upcoming series of IAMU “Red Flags” for Identity Theft workshops. A meeting will be held October 3 in Maquoketa to allow easier access for IAMU members in the east central portion of the state.** It will be held from 9 – 11:30 a.m. in the Maquoketa City Council chambers.

Those who have already registered for the workshop at another location and wish to attend the Maquoketa workshop may switch their registration by contacting Kathy Hoffman at IAMU, khoffman@iamu.org.

The meetings are designed to assist IAMU members in setting plans for compliance with the federally-mandated requirements for protection of customers from identity theft. The new policy takes effect November 1. Other meetings are scheduled for Waverly, Mt. Pleasant, Atlantic, Denison, Milford and Ankeny (IAMU).

More information is available on the IAMU website, www.iamu.org (click on the link on the front page). To register for one of the workshops, use this link: <http://www.iamu.org/calendar/>
