

Charts of Itemized Budget Cost/1,000 Gallons for All Iowa Surveyed Wastewater Treatment Systems

Figure WW18-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with activated sludge.

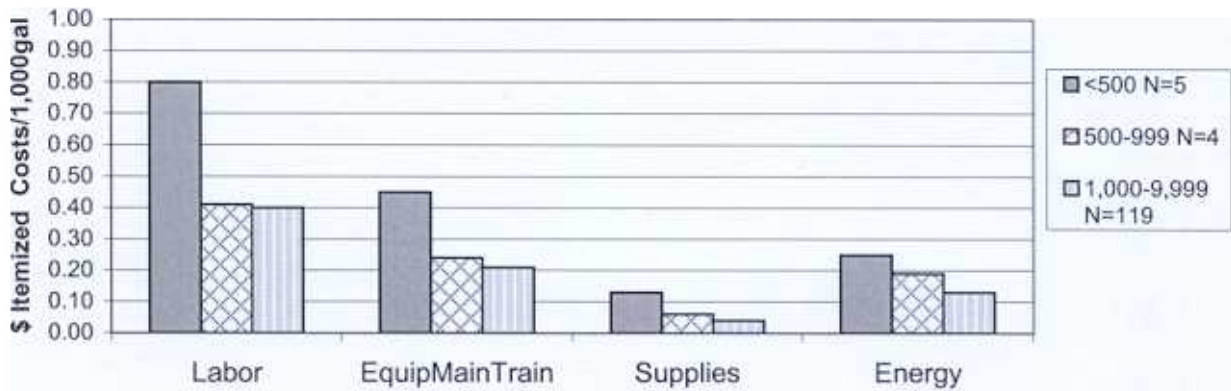

Figure WW19-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with trickling filters.

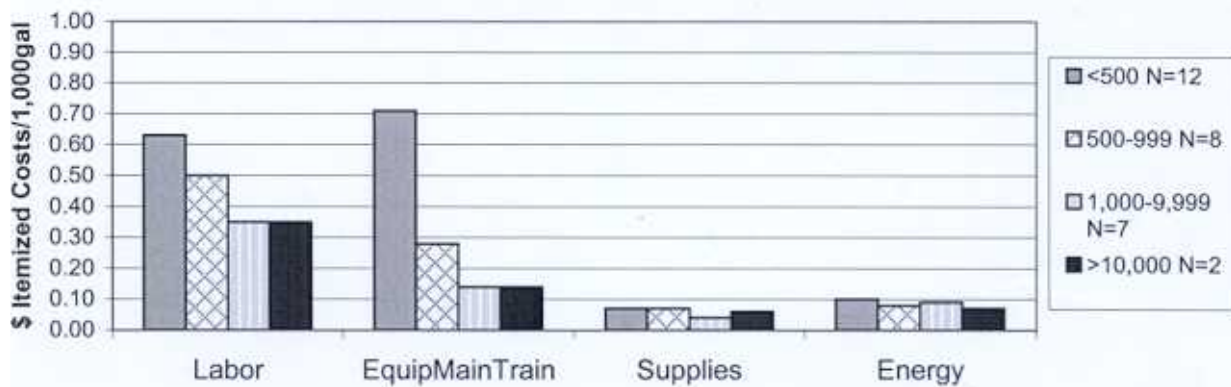

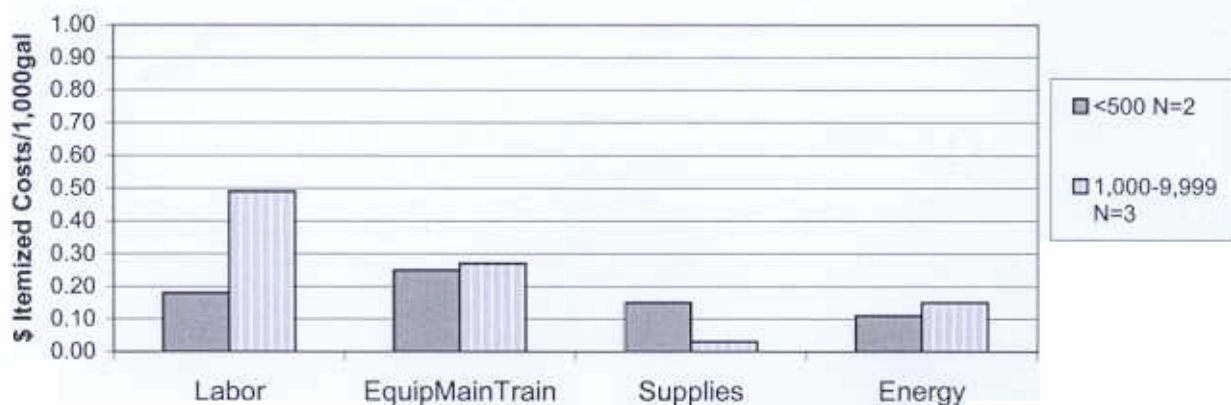

Figure WW20-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with activated sludge and trickling filters.

Charts of Itemized Budget Cost/1,000 Gallons for All Iowa Surveyed Wastewater Treatment Systems

Figure WW21-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with rotating biological contactor.

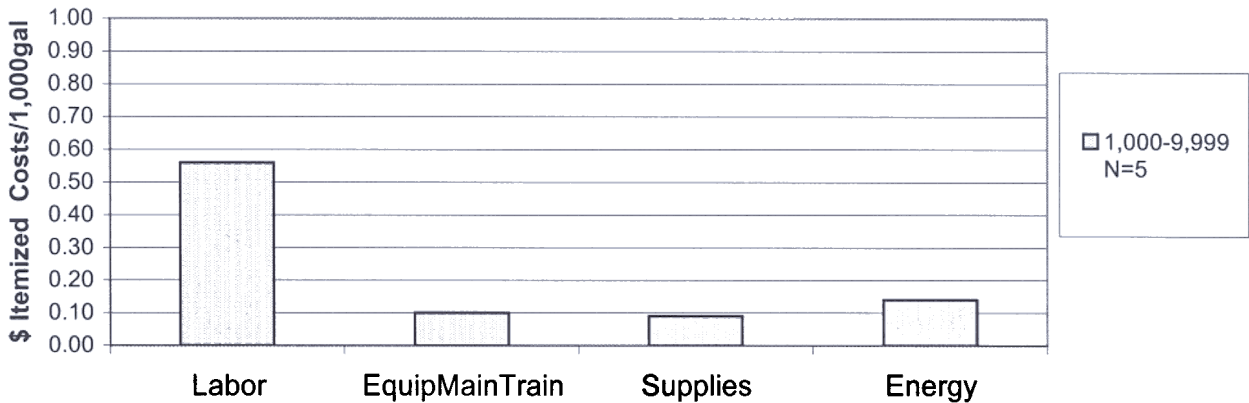

Figure WW22-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with nonaerated facultative lagoon.

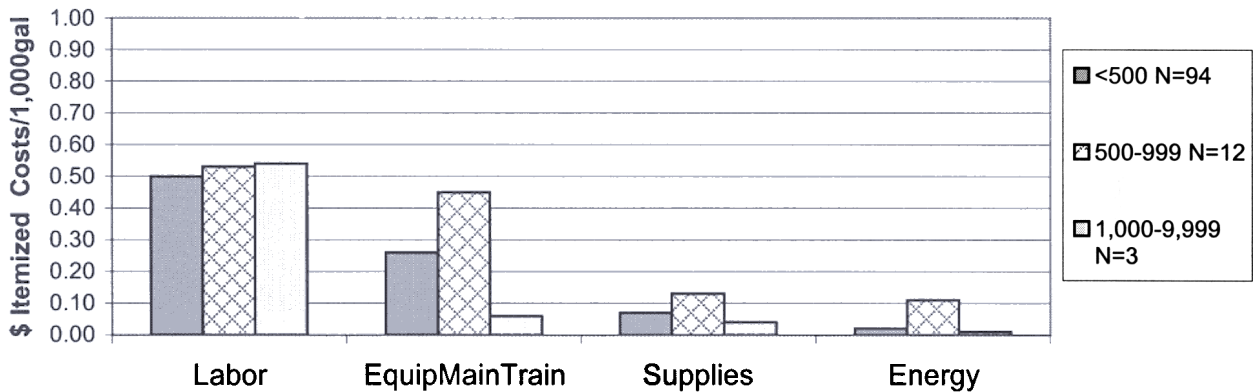

Figure WW23-1. Mean 1999 - 2000 annual itemized budget costs/1,000 gal for Iowa wastewater treatment systems with aerated facultative lagoon.
